Where FTTN/FTTB nbn™ is to be installed and there is no existing active phone line an additional nbn™ activation fee may be chargeable.

Cabling

nbn™ will connect your residence to NBN. It is up to you to arrange any further cabling within.

INFORMATION ABOUT PRICING MONTHLY CHARGE

Your plan is \$59 per month for up to 12Mbps down and up to 1Mbps up with a monthly data allowance of 100GB.

The cost of 1GB of data within your included data allowance is calculated at \$0.59.

BROADBAND SPEEDS

12Mbps is the NBN port speed. Your download line speed into the home is up to 12Mbps and upload speeds from the home up to 1Mbps.

Actual speeds may be slower and will vary due to a range of factors including hardware and software configuration, source and type of content downloaded, the number of users and performance of interconnecting infrastructure not operated by Lizzy.

TOTAL MINIMUM PLAN COSTS

The total minimum amount you'll pay is \$118

EQUIPMENT

To utilize the home phone service you need Lizzy's voice capable TP-LINK TD-VG565 VDSL2+ Wi-Fi modem.

FTTN NBN requires a VDSL2+ modem.

PHONE SERVICE

Required equipment

The phone service is compatible with standard phone handsets. The Home Phone service is connected via the router.

Keep your existing phone number

You can retain your existing phone number if you do not cancel your service with your old provider.

The phone service is active on the Lizzy router (TD-VG5612) phone socket. Activation of other phone sockets requires an electrician.

Available phone plans

[NBN Home Phone \(Standard\)](#) is free and includes local and long distance calls to Australian land lines.

[NBN Home Phone Plus](#) \$15 per month adds free calls to Australian mobiles

Battery backup

The NBN Home Phone services can't operate during a power outage without a battery backup to supply power to the router, phone and NBN box.

Security and Medical alarms

The NBN Home Phone service does not support 'back to base' security or medical alarms. Consult your alarm provider to ensure continued operation of your back to base alarms without a PSTN (copper) phone line.

Incompatible services

The NBN Home Phone service does not support fax machines, dialup modems or EFTPOS terminals.

Medical Priority

Lizzy does not provide medical priority. You have a mobile phone for emergency help in the event that the NBN Home Phone service is unavailable.

Customer Service Guarantee Waive (CSG)

Lizzy will use its best endeavors to provide you with an excellent service but it is a condition of use of the NBN Home Phone service that you waive your Customer Service Guarantee.
